Mission: To broaden and enhance education and employment opportunity for blind and visually impaired students within the State of Washington.

History: Founded in 1995, the WSBF is governed by an independent volunteer board of directors, and is an IRS 501(C) (3) exempt organization.

Vision: To provide funds and support to persons, programs or projects, in the form of tools, skills and training, necessary to enhance educational and employment opportunities for blind and visually impaired students.

People We Serve: The core constituency of the WSBF is almost 1,500 blind and visually impaired children between the ages of birth to grade twelve.
